

Mallorie De Riggi

Marketing Manager

“Slavi, as a designer is incredible! I've worked together with him on several projects, but in particular on our current website. As the project manager, I expected a lot and he delivered. He not only took direction and executed my creative vision for a complicated web site, but he was able to add to it and make it better. I've worked with many good web designers, but he's been the best. He's a creative force in many ways and a pleasure to work with. I'd highly recommend him for any design work whether its within the trade show industry or not.
